WHO ARE WE: River City Water Ski Show Team is a non-profit 501(c)(3) that has been entertaining the Coulee Region of La Crosse with our fast-paced, family-friendly ski shows since 1972. We strive to give back to our beautiful community by offering FREE ski shows every Wednesday evening during the summer months (weather permitting). If you can't make it out to Airport Beach, you can find us at La Crosse's annual Riverfest Celebration over the 4th of July weekend or at Lake Wazeecha in Wisconsin Rapids for the annual State Water Ski Show Team Tournament in mid-July. When River City started, the main goal was to promote water safety, perform shows during the summer, prepare skiers for competitive skiing, and to promote the sport of water skiing as a safe, family recreation activity.

GOALS: Since its inception, we've expanded that goal and are further committed to bringing the joy of water skiing to as many people as possible. In addition to our Development Program for skiers to learn new skills, we also conduct an annual Learn-To-Ski Clinic, and two Adaptive- Ski Clinics every summer. Our adaptive-ski clinics reach those with physical or mental challenges and continues to grow in numbers each season. We hope to expand our Learn-To- Ski and Adaptive Clinics to further reach our community.

HOW YOU CAN HELP: In order to reach our goals, it takes time, talent, and funds. Our team is 100% volunteer and your financial support goes a long way to help in the continuing costs of running this team and expanding our programs to reach others.

Join us by contacting a River City member or emailing info@rivercitywaterski.com to become a River City Sponsor today! Your help is very much appreciated. Thank you!
